ABOUT FUZJI: A new housing estate built on the site of the former Karol Scheibler factory. It consists of 20 buildings of various purposes, of which 14 are adapted historical buildings – Its heart is the restored, Art Nouveau CHP plant and the city square next to it (with a playground, a place for roller skaters, a meeting place and a place for residents to walk).

Location of the estate: Center of Łódź – between Piotrkowska, Tymienieckiego, Kilińskiego and Milionowa streets.

ESTATE: Fuzja is a new urban space friendly to live, work and relax. The project will consist of four residential buildings with over 600 premises, as well as offices with a total area of approximately 40 thousand square meters. The historic buildings will also have space for services, shops and restaurants.

New city squares, common spaces and green areas, which occupy almost 4 ha. Residents and users of Fuzja will be able to take advantage of numerous amenities, including car sharing services, bike paths, bike service stations, parcel lockers and electric chargers. All this will make Fuzja – a unique

investment, thought out in every detail, a unique place on the map of Łódź, attractive to residents and tourists.
